About Us & The Program

About FASE

As a leading impact finance advisory in Europe, we are passionate about mobilizing growth capital for impact ventures to create impact at scale. At the heart of our activities is our drive to find the right kind of investors for every impact venture we support. Here are some of our key achievements:

- +100 transactions since 2013
- +€85 million capital mobilized
- +2.300 impact investors in Europe
- Co-Initiator of the European Social Innovation and Impact Fund (ESIIF)

About the ESIA Program

Our offerings are part of the broader ESIA program. The European Social Innovation Alliance (ESIA) is a network of 26 member organizations from Estonia, Germany, Luxembourg, and the Netherlands. ESIA brings together a diverse range of actors—from civil society, the private and public sectors to academia—to improve the political and economic framework for social innovation across Europe. Through advocacy, public sensitization, capacity building, networking, and research, ESIA is committed to ensuring that social innovation is recognized as a vital tool for addressing today’s pressing social challenges and paving the way for a sustainable future.
